Medical Apartheid Passage Discussion

Join the Medical Scientist Training Program (MSTP)’s December Workshop for a Medical Apartheid Passage Discussion session. Medical Apartheid: The Dark History of Medical Experimentation on Black Americans from Colonial Times to the Present by Harriet Washington documents the horrors of non-therapeutic experimentation on black bodies from slavery to present day. The workshop will involve facilitated conversations from selected passages from this book.

When: Wednesday, December 9 from 5:30-6:30 pm
